

S.V.L.N.S GOVERNMENT DEGREE COLLEGE

BHEEMUNIPATNAM

4.1.1.

Q_iM Availability of adequate infrastructure and physical facilities viz., classrooms, laboratories, ICT facilities, cultural activities, gymnasium, yoga centre etc. in the institution.

The institution is a well-equipped model degree college, having undergone an upgrade under the RUSA scheme. The allocated budget of 4 Crores to be utilized for constructing new buildings, renovating existing ones, and acquiring new equipment. Under which the construction of new building and repair works almost completed, the procurement of equipment is pending. By utilizing RUSA grants institution installed 20Kw grid connected solar power system.

The administrative building accommodates the Principal's chamber, office room, and a staff room on the ground floor. Upstairs, you'll find the chemistry laboratory, JKC lab, and a seminar hall. The library, along with a reading room, is also situated on the ground floor. The second block includes the Commerce computer laboratory, eight classrooms, NCC and NSS rooms, as well as a staff room for Arts teachers. Additionally, there is a new science block that houses departments for Physics, Botany, Zoology, and the Computer lab, along with four classrooms. The first floor of the new building features a seminar hall equipped with ICT facilities, while the ground floor offers a gym. The Commerce computer lab and JKC lab are furnished with laptops and desktops, while the science laboratories for Physics, Chemistry, Botany, and Zoology are fully equipped for practical experiments.

The institution takes pride in its open auditorium, which serves as a venue for various cultural events. It celebrates occasions like Independence Day, Republic Day, NSS day, Fresher's Day, Sankranti Sambaralu, and College Anniversary with great enthusiasm. Students actively engage in cultural activities such as Solo Dance, Group Dance, Singing, Skit, and Mono action. To cater to sports enthusiasts, the institution provides a gymnasium, running track, and a playground for outdoor games like volleyball, kabaddi, cricket, and long jump. It has even organized an Inter-University Kabaddi Tournament for both girls and boys. The teachers from the Centre for Yoga and Consciousness in Bheemunipatnam inspire students through yoga sessions and personality development programs.

In addition to the physical facilities, the institution boasts three ICT-enabled classrooms. The first is a seminar hall functioning as a virtual classroom, equipped with an LCD projector, desktop, projector screen, web camera, audio system, and high-speed internet connectivity of 100 Mbps. The second classroom is the JKC laboratory, equipped with an LCD projector, desktop, TV, and internet connectivity. Lastly, the MANA TV room is equipped with a TV for broadcasting SAPNET programs telecast by CCE, AP. Moreover, the institution provides a separate restroom for female students and a canteen where students can purchase refreshments.

Available Infrastructure Felicity:

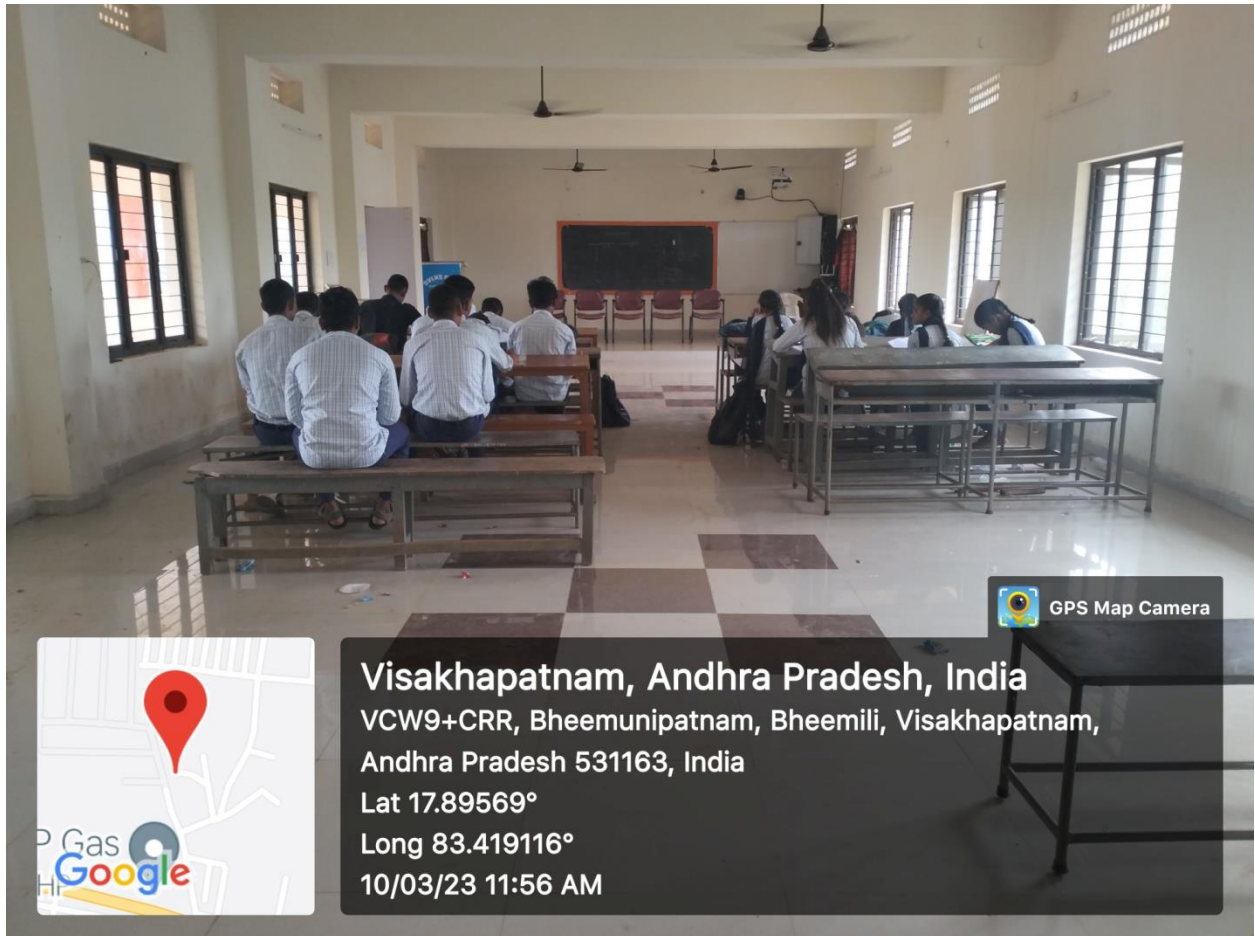

S.NO	NAME OF THE BUILDING	DETAILS		QTY
1	Administrative Building	Ground Floor	Principals Chamber	1
			Office	1
			Staff Room for language teachers (Attached with toilet)	1
			Library	1
			Reading Room	1
		First Floor	Chemistry Laboratory	1
			JKC laboratory	1
			Mana TV Room	1
2	Arts and Commerce Block	Ground Floor	Solar Grid Room	1
			Class Rooms	8
			Commerce Computer Lab	1
			Arts teachers staff room	1
			NCC Room	1
			NSS room	1
3	New Science Block	Ground Floor	Gymnasium	1
			IQAC	1
			Class Rooms	2
		First Floor	Seminar Hall (New)	1
			Physics Laboratory	2
		Second Floor	Mathematics Department	1
			Computer Laboratory	1
			Botany Laboratory	1
Zoology Laboratory	1			
4	Toilet Block	Ground Floor	Girls	1
5	Toilet Block	Ground Floor	Boys	1
6	Open Auditorium	Ground Floor		1
7	Play Ground		With Running Track	1
8	Play Ground		Out Door Games (opp to new block)	1
9	Girls Waiting Room	Ground Floor		1
10	Canteen	Ground Floor		1

ICT facilities

S.No	Name of the ICT tool	Quantity
1	Laptops at JKC laboratory	16
2	Desktops at Commerce Computer laboratory	08
3	Desk Tops at Office	02
4	Desktop at Principal Chamber	01
5	Desk top at IQAC	01
6	Laser Printers at office	03
7	Epson Tank Printer at IQAC	01
8	LCD Projectors	01
9	BSNL LAN (WiFi) facility 100mbps	02
10	Solar 20kV Grid connected	01
11	A desktop at Library	01
12	LCD TV	02
13	Virtual class Room /New Seminar Hall Provided with a BenQ LCD projector, Screen, Web Camera, Stylus, Audio System, UPS, CPU, BSNL 100MPPS Broad Band connection with router for wifi connection.	01
